

Good evening everyone, This is (YOUR CALL SIGN), my name IS (YOUR NAME) I am tonight's Net Control and am CALLING THE SAGUARO NTS NET, for (DAY, MONTH, DATE)

This is a Local Net, and meets nightly for training and drill at 6:30 PM Mountain Standard time on the EASTERN ARIZONA AMATEUR RADIO SOCIETY repeaters. Our purpose is to train and pass radiogram messages into and out of our coverage area. We are affiliated with the Arizona Traffic and Emergency Net, an HF voice section net that meets at 7 PM MST on 3986 Khz.

This is a directed net. Please pass all communications through net control. Unless you have an emergency or are checking back into the net with your suffix, please do not transmit unless directed by net control. All stations checking into the net should be willing to handle traffic

IF YOU NEED TO LEAVE THE NET EARLY, PLEASE COORDINATE WITH THE NET CONTROL STATION TO ENSURE WE HAVE COVERAGE FOR TRAFFIC INTO YOUR AREA.

Is there any PRIORITY traffic?

Are there any announcements for the net?

is there any OUTBOUND traffic?

is there any LOCAL traffic?

Are there any NET reports tonight?

DISTRIBUTE TRAFFIC (ASK FOR VOLUNTEERS FOR EACH TYPE, OUTBOUND FIRST)

IF NO VOLUNTEERS, ASSIGN TO YOUR CHOICE OF NET MEMBERS PRESENT AFTER CALLING THE ROLL.

This is (YOUR CALL SIGN) for the SNTS

Visitors and late members can check in AFTER roll call.

CALL THE ROLL

LATE, MISSED OR VISITORS wishing to check into the net, your call signs please. (continue asking until there are no replies).

TRAINING TIP (OPTIONAL) AND TIME PERMITTING

Are there any questions, comments or other business for the net before I close tonight's session? I would like to thank all those who checked in, especially those who handled traffic. Many thanks to the EASTERN AZ AMATEUR RADIO SOCIETY for the use of their repeaters. We invite you to join us each night to participate, and learn more about traffic handling. For more information, see our website SNTSNET.COM (I SPELL) or SAGUARONTS.NET (I SPELL) or contact Byron, AA7BM. Or JERRY, W7FSC for additional information. I am now closing this session of the Saguaro NTS Net at _____ MST and freeing the repeaters back to general use. goodnight and 73, from (YOUR CALL SIGN)
